Each night on the news, crime victims with stricken faces say, "I never thought it could happen here." Each morning, newspaper headlines list the atrocities that took place the night before. And yet the inhabitants of Simon Hills feel safe in their homes, since the gates have gone up on the road leading to their driveways, and since the passing years have blurred their memory of the child who once lived in the heart of the development and who mysteriously disappeared. Their newfound sense of serenity is tested, however, with the sudden arrival of mysterious new neighbors, whose presence in their midst threatens to tear the community apart. Told through the eyes of teenager Jackie Grant, *Tangled Up in Blue* explores young peoples' search for truth in a world where adults struggle to protect their own illusions.
