The Rebound List: A Sexy Romantic Women's Fiction Novel Hedonist Six

What would you do to celebrate your freedom after your first serious relationship breaks down?

After nearly four years with Jeff, everything fell apart. I found myself single, scared, but somehow liberated as well. Rather than stumble into another ill advised relationship, my best friend Sally helped me find focus. I would spend the next few months “finding myself” sexually. That’s how *The Rebound List* was born.

My journey begins with the first item on my list - **a virgin**. The other items on the list? A silver fox, a stranger and a threesome. But it's not easy to go from squeaky-clean committed girlfriend to wanton sex goddess: I have a tendency to let my emotions get in the way. Hopefully I'll have the guts to follow through!

Please note this book has previously been released as a serial of four parts and contains explicit descriptions of sex with more than one partner.
