New Adult Contemporary Romance

Falling apart. Barely breathing. How can I go on without you?

Karly Erikson's fairy tale ending comes to an abrupt halt as she slowly adjusts to life without being in the arms of the man she loves.

Nicholas Hayes makes a decision, which changes his entire life. Living with the decision he's made, every day is a struggle. His heart only knows one love-Karly Erikson.

When Karly returns to Wilmington, the choices she makes will put what's left of her heart on the line. Is she ready to fight for what's truly hers?

From reader reviews:

Stephanie Wilkes:

Do you have favorite book? If you have, what is your favorite's book? Publication is very important thing for us to learn everything in the world. Each e-book has different aim or perhaps goal; it means that e-book has different type. Some people experience enjoy to spend their time and energy to read a book. They are reading whatever they get because their hobby is usually reading a book. What about the person who don't like reading a book? Sometime, particular person feel need book when they found difficult problem or perhaps exercise. Well, probably you will need this Vision of Destiny (Infinity Book 2).

Jose Gower:

People live in this new morning of lifestyle always try to and must have the free time or they will get large amount of stress from both daily life and work. So , whenever we ask do people have time, we will say absolutely yes. People is human not a robot. Then we request again, what kind of activity are there when the spare time coming to a person of course your answer will probably unlimited right. Then do you try this one, reading books. It can be your alternative with spending your spare time, the particular book you have read is usually Vision of Destiny (Infinity Book 2).

Joseph Levis:

Is it an individual who having spare time after that spend it whole day by means of watching television programs or just lying on the bed? Do you need something new? This Vision of Destiny (Infinity Book 2) can be the reply, oh how comes? It's a book you know. You are and so out of date, spending your extra time by reading in this brand new era is common not a nerd activity. So what these guides have than the others?

Gary Lund:

As a college student exactly feel bored to reading. If their teacher asked them to go to the library in order to make summary for some book, they are complained. Just small students that has reading's spirit or real their hobby. They just do what the educator want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that reading is not important, boring as well as can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Vision of Destiny (Infinity Book 2) can make you sense more interested to read.
