Children of the Sun

Linda Winstead Jones

Children of the Sun Linda Winstead Jones

Prince of Magic, Prince of Fire, and Prince of Swords in one volume

A prophecy names the firstborn children of the Fyne witches as those required to save Columbyana from a rising darkness. One will wield the crystal dagger; one will betray love; one will be hurtled into the Land of the Dead.

“Punchy battle scenes and steamy lovemaking will please genre fans, but it's Jones's gift for creating complex heroes and villains that lifts this story out of the ordinary.” (Prince of Magic) Publishers Weekly
