Last week, I got naughty for the first time -- and it wasn't with who I'd expected.

David is a hot and handsome **Man of the House**, who has lovingly raised his **brat** Cassidy the whole time she's grown up. When working out in their home gym, Cassidy finds herself eyeing up his bulging muscles.....and a different bulge down below. After going back to her room to enjoy herself, David walks in and interrupts the act. Turns out, he's been checking his **brat** Cassidy out too. If something is so wrong, why does it feel so right?
