The City anthology is a unique creation. It's a concept anthology, a collection of stories where eighteen different authors share their vision of a single idea. It's Cyberfunk, cyberpunk stories that play with future concepts from an African/African American perspective. Most of all it's engaging, exciting, thought provoking and fun.

Like the inhabitants, the City is perceived in various ways by the various writers. Some stories intersect, some diverge, but they all entertain. The result is a journey into a unique world described by unique and engaging voices.
