An Ascension Handbook: Material Channeled from Serapis Tony Stubbs

Every one of us will ascend. But first, we must break old patters, sever from the consensus reality, and align with Spirit. The goal is full awareness of our unity with the Source by increasing the frequency of our energy bodies until we emerge as self-realized Masters, fully conscious on the higher dimensions. Filled with exercises and techniques, AN ASCENSION HANDBOOK is a practical "how to" manual for ascending Lightworkers.
