Come one, come all, and join in the fun. The CarnEvil of Souls is only open at night. Do you dare enter this Land of Illusion?

Joshua has spent centuries making sure that his carnival is one of a kind. Instead of the bearded lady, you get vampires; no wolf boy to capture your attention instead you get werewolves. Leave your imagination at home when you visit because the reality is more frightening than anything you can make up for yourself.

Pay your admission, enter the gates, yell and scream ... Yes, just like every carnival you have went to except at this one the admission could be your very soul, your screams could be your worse nightmare coming true!

Will the people of the town discover the difference between fantasy and reality before it's too late for them?

With time being limited before the CarnEvil disappears as quickly as it arrived, Private Investatgators Guy Mayon and Mike Bailey have to find out who is behind all the missing people.

Can they close down the CarnEvil of Souls forever or will it continue on the path of evil?
