Short blurb: A woman must travel around the globe with her despicable ex in order to get her hands on her inheritance.

Longer blurb: Ashly Roberts and Jake Connors are barely twenty when they decide to take the proverbial plunge and walk down the aisle to exchange vows in front of the dearly beloved. Basking in bridal bliss, Ashly feels she is living the perfect fairytale, until she's faced with a runaway groom, dumped at the altar by bad-boy fiancé, Jake Connors.

Five years later, Jake steps back into her life...

He realizes that being a no-show for their nuptials was the worst mistake of his life. A little older and more mature, he is ready to fight for Ashly's love once again. When Ashly sees him, she can't deny the attraction she feels, but her hormones are overruled by the horror of what he did to her in the past. Nevertheless, Jake's most potent weapon, those dazzling baby blues, ignites a spark in Ashly, no matter how angry she wants to be. She cannot deny the spark, and she only hopes the inferno it ignites will not consume her heart again.

This is a two book series (All of your answers won't be answered in book 1)
