Death and New Life - Pastoral and Theological Reflections *several*

The sixteen contributions to this collection explore such questions as these, and they do so from a fascinating variety of perspectives. Among the writers (all connected with the Mater Dei Institute in Dublin) are men and women, theologians and pastoral workers, liturgists and musicians, philosophers and historians, poets and teachers, educationalists and counsellors. Together, they help in thinking through more deeply the questions and the mystery posed by death.
