Psywarrior: The Misadventures of an Insolent Warrior Dennis Busch

Psywarrior is a humorous account of one aspect of the most unpopular war in American history - Vietnam. How much trouble can a young Air Force pilot get into on his first assignment? Provide him the use of an airplane six days a week, one grunt for a crew, a mission of dubious importance and minimal risk, and all of South Vietnam as his playground and you can imagine. This is a true saga about the misadventures of just such a young warrior on his first tour in Vietnam. Put aside all of the misconceptions you have been taught about that war and enjoy a good tale.
