Starting today you can begin setting up your own search engine optimization business from the comfort of your own home. I've been working in the web design and SEO field for quite some time now and for the past decade I've owned my own business providing these services. Now I'm here to "take you by the hand" and "behind the scenes" to show you exactly what works to in the search engine optimization business to make the most money. Together we will discuss 4 different ways you can make money in the SEO field so you can diversify your income or explore new options you may not have thought of. This course will not teach you SEO as there are plenty of amazing free resources available to do that (which I will show you in this course in case you don't have experience yet but would still like to start a home SEO business). It will, however, show you exactly how to use your SEO knowledge to generate monthly recurring revenue doing a job you love from anywhere in the world!
