Updated to reflect the most recent THEA tests (formerly known as TASP) this manual gives students preparation for the required entrance exam at all publicly administered colleges in Texas. A full-length diagnostic test with answer keys includes reading, math, and writing sections. It is followed with extensive subject reviews in all three test areas and one full-length practice THEA test similar to the actual exam in length, format, question types, and degree of difficulty. The test comes with answer keys and explanations.
