SAT Math Mastery Level 1: Perfect-Score Fundamentals Christian Heath

A workbook for the SAT Math section designed for students who struggle with the fundamentals, for students who want to review the essential basics that they will be tested on, or for advanced math students who may have forgotten some of these topics as a result of being "ahead" in high school math. Contains a professional SAT tutor's top 20 choices of math topics to review, a diagnostic pretest to uncover your weaknesses, over 250 practice questions, and an in-depth explanation of every problem to help you understand your mistakes so that you don't make them the next time! Designed primarily for students scoring below 550 in the SAT math section, or for students who have never taken the SAT; however, it can be fruitfully used as a review for high-achieving math students, as mentioned above.
