Cursed by a demon, William O'Brien changes into a dragon with mystical powers he can't control. In dragon form he becomes a ravenous beast with the power to destroy the crew of the Soaring Phoenix. He's forced to make a decision: leave the ship or face killing the crew.

But before he can go, he discovers a new menace hunts him. The God of the Underworld has released a female demon, more deadly and evil than before, with orders to capture William and combine his powers with a male witch in order to destroy the crew of the Soaring Phoenix.

Mariah Fey, a talented witch, wants only to save her brother from the bowels of the evil pirate ship, the Fiery Damsel. If William will trust her, she can teach him how to harvest his gifts, control his abilities and together their true love can defeat their enemies.

Note: Complete Novel. Dual POV. Rated 18+ for strong sexual content. This is an adult historical paranormal romance. This dark fantasy series centers on an evil demon, a cursed pirate with psychic and telepathic mates. This book includes pirates, vampires, demons, dragons, witches, and magic. It also includes legends and mythology. These are stand alone books that do not need to be read in order. However, if they are read in order, it makes the story richer.
