When you read Calculating Soul Connections, you will understand more about yourself and your connections to everyone around you.

This book ties together four important concepts:

1. We all have souls.
2. Souls are divided into parts and each part performs a different function.
3. Beyond the four physical forces, there is a life force.
4. Souls use the life force to power themselves and connect with other souls.

Each of these concepts has been around for a long time. When combined, they form a powerful new model that revolutionizes the way we think about the world and our place in it.
