Diamonds, Danger, and A Deadly Secret...

A Katerina Carter Legal Thriller

Fraud investigator, Katerina Carter just doesn't know when to quit, which lands her in some pretty messy and precarious situations. Now that's she's out of work and running out of money, Kat needs to get more clients, or she'll be forced to go crawling back to a cubicle at her previous firm. And to Kat that's a fate worse than debt.

So when Liberty Diamond Mines CEO Susan Sullivan hires Kat to find Liberty's missing CFO and a large sum of embezzled money, she's a little too eager to accept the job. Abject poverty is a great motivator for taking hard cases, but her excitement soon turns to terror when two employees of the company are brutally murdered. Kat realizes that this investigation might be more dangerous than she expected.

As if things weren't complicated enough, she uncovers a sinister connection between blood diamonds and organized crime. All she has to do now is get proof--and keep from getting killed before she exposes the real criminals. With the help of her friends and an eccentric uncle, Kat had better tread carefully or her first case might also end up being her last. . .

Exit Strategy is an action-packed legal, crime and financial thriller in the vein of Michael Connelly and John Grisham, a Wall Street thriller that uncovers greed, corruption and conspiracy in the corridors of power.

"An international tale of diamonds, danger and disappearance, Exit Strategy gripped me from page one..."

"Exit Strategy, the first in the action-packed Katerina Carter Legal Thriller series, is a suspenseful psychological thriller sure to keep you turning pages!"

"...Heart-stopping tension and intrigue!"
