Poetica (Spanish Edition)

Aristóteles

Poetica (Spanish Edition) Aristóteles

La Poética o Sobre la poética es una obra de Aristóteles escrita en el siglo IV a. C., entre la fundación de su escuela en Atenas, en el 335 a. C., y su partida definitiva de la ciudad, en el 323 a. C. Su tema principal es la reflexión estética a través de la caracterización y descripción de la tragedia. Básicamente, la Poética consta de un trabajo de definición y caracterización de la tragedia y otras artes imitativas. Junto a estas consideraciones aparecen otras, menos desarrolladas, acerca de la historia y su comparación con la poesía (las artes en general), consideraciones lingüísticas y otras sobre la mimesis. La Poética es una de las obras aristotélicas tradicionalmente conocidas como esotéricas o acroamáticas. Esto implica que no habría sido publicada, sino que constituía un conjunto de cuadernos de notas destinados a la enseñanza y que servían de guía o apunte para el maestro. Estaban destinados a ser oídos y no a ser leídos.
