It's the secret for improving your spiritual life.

It's something you may be experiencing right now. It's the Light and Sound of God. The same Light seen by the apostle Paul at Damascus is still experienced today by students of the ancient teachings of Eckankar. So is the Sound, which the apostles heard as a mighty, rushing wind during Pentecost - which you may also hear as the single note of a flute, the music of woodwinds, a buzzing like bees.

Learn to recognize your experiences of spiritual connection - sensations you may have had even since childhood - and discover the richness and power of the Holy Spirit in your life.

Whatever your religious background, you'll become stronger, more self-reliant and capable of discovering spiritual truths in your daily life. The Living Word, Book 2, is a complete guide for spiritual growth.
