It's the holiday season and Josie is definitely feeling the strain. From unexpected (and not necessarily welcome) house guests to the demanding clients of her new wedding consultancy, her plate isn't just full—it's overflowing. Adding to the pressure is the tension between the vampire government, Weres and her pointy-toothed love, Walker. Will a string of suspicious teen murders and disturbing secrets from Walker's past conspire to ruin their love? Or will Josie and Walker rise above such petty concerns and keep fighting, together?
