**Lincoln's Suspension of Habeas Corpus: : The Pamphlet Literature and Congressional Debate** Douglas W. Lind

The intent of this work is to identify, record, and disentangle pamphlet literature so that it can be read in a framework which allows for a better understanding of the wartime constitutional discourse about Lincoln's suspension of habeas corpus. Because seemingly minor events take on a greater meaning when placed in the context of larger decisions, it was decided not to selectively reprint titles, but rather to be as comprehensive as possible. Also included with the historical work is a fully searchable DVD.
