Quintet presents compelling portraits of five artists known and loved by aficionados of classical music: the cellist Yo-Yo Ma, the conductor Jeffrey Tate, the violinist Josef Gingold, the pianist Richard Goode, and the opera singer Birgit Nilsson. This gracefully written book offers a deeply personal look at the lives of these immensely talented and hard-working performers. The essays grew out of conversations the musicians had with the late David Blum, who was himself distinguished both as a conductor and as an author of books and articles on musical subjects. Certain to delight music enthusiasts, Quintet is a perfect holiday gift.
