The Poet and the Prophecy: Magic University Book Four (Volume 4) Cecilia Tan

Kyle Wadsworth has mastered sex magic, dreamwalking, and even poetry in his years at Veritas. But in this conclusion to the Magic University series of new adult paranormal fantasy romance, Kyle begins his senior year full of doubt. Will the dire ancient prophecy he has been studying come true if Kyle cannot find true love? The signs of the Burning Days seem to be everywhere—odd storms, earthquakes, and people losing their magic—and though Kyle has many loving friends and eager acquaintances, he has no true love in sight. The only person in Kyle's heart is Frost, and the last time they laid eyes on each other, it didn't end well. Frost has a troubled past and deep secrets. Kyle begins to hope, though, when it appears he and Frost will be in a class together. A poetry class. Maybe Frost will start to thaw after all, though Kyle has a long way to go from nemesis to lover. If the prophecy speaks true, our hero will need love to keep the world, his friends, and himself from losing magic forever. "The Magic University books really need to be read all together to be understood. You should definitely grab all four books and get comfortable – you're in for an exciting ride! The Poet and the Prophecy is a satisfying conclusion to the series, and one that adult Harry Potter fans will no doubt enjoy." —Lucy Felthouse, Seattle Post-Intelligencer "I love that in The Poet and The Prophecy Kyle needs to draw on everything about himself to succeed, from his talent as a poet to his bisexuality. How often do bisexuals get to save the world in books? Kyle accomplishes things that a 'typical' straight hero would fail at, including the 'enemies to lovers' relationship we've all been waiting for since book one." —BookPost "Tan has long been one of the foremost voices in writing and publishing erotic sci-fi and fantasy. With her New Adult paranormal romance Magic University series, Tan combines her favorite elements from the Harry Potter books with LGBT characters and eroticism. Her protagonist Kyle Wadsworth, studying at the secret magical university Veritas, learns to harness sex magic to combat sirens and prophecies alike. With Kyle starting out knowing less than Jon Snow, he experiences the kind of in-depth sexual apprenticeship that Anastasia Steele should have learned at the hands of Christian Grey." —Tor.com "Very nice series of books that I look forward to rereading some day. The frequent description of 'Harry Potter for Adults' made me fear it would be totally derivative, but it really wasn't." —BookLikes
