Quick-talking burglar Junior Bender gets blackmailed into starting a new career as a private investigator for crooks in this hilarious Hollywood mystery

Junior Bender, a burglar with a magic touch, is being blackmailed into taking on a new freelance job. One of LA's biggest crime bosses is producing a porn movie that someone keeps sabotaging; Junior's job is to figure out who's responsible and keep the movie on track.

The trouble is, he's not sure he can go through with the job, blackmail or no blackmail. The actress lined up to star in the film, Thistle Downing, is an ex-child star who now lives alone in a drug-induced stupor, destitute and uninsurable. This movie would be scandalous fodder for tabloids around the country. Junior knows what he should do—get Thistle out and find her some help—but doing the right thing will land him on the wrong side of some scary people.

From the Hardcover edition.
