Immortal Decision Kim Mullican

Flora, a half-human half-vampire, has searched over a hundred years for her soul mate. As if being a half-breed wasn't complicated enough, she needs to find her soul mate soon, or she will begin to die. The only family she has is a vampire who spent his mortal years as a priest, and he's suicidal. Stefan, the suicidal vampire priest and Flora's surrogate father, has searched for two centuries for a nephilim that could end his two centuries of suffering. Flora finds Stefan's nephilim, an unknowing American named William and the spawn of Michael the Archangel. Only then does she discover that he is the soul mate she's been searching for. Already showing signs of aging, Flora must decide whether to foil Stefan's plans to save William's life, and through him, her own life. These three lives collide in twisted supernatural triangle of survival, love and death.
