Book Two of Three. Readers will pick up right where they left off in Matthew and Annabelle's adventure from Leveraging Lincoln (The Liberator Series Book One) in this exciting second installment. Jump in as the plot thickens, and see what happens when our displaced Southern Belle and the rogue captain must now face the secrets they've been hiding in their hearts...

"The time has come when I must change my plan...."

She thought she'd saved them all, but now a more nefarious plot emerges, increasing the stakes and threatening to bring a nation to its knees.

Displaced, rejected, forsaken...

Annabelle finds herself pulled farther from home and ever closer to the malicious repercussions of war. Elmira prison is filled beyond its capacity, and starving men are left shivering in threadbare clothing beneath paltry shelters. Among the thousands of captured and hopeless Confederates, she searches to find the one man who could be the key to saving her inheritance.

Wounded, desperate, defeated...

Matthew yearns for peace away from Washington. Yet, he can never seem to escape his ties to a frantic madman seeking vengeance. Lurking in the shadows at every turn, the cycle of retribution continually brings yet another danger, and Matthew will do everything in his power to protect the woman he loves - even if it means keeping her from the truth.

In the final dark day days of war, Matthew sets his hopes on Annabelle. She could be the lighthouse that guides him out of the ever encroaching sea of chaos - if only they can allow love and trust to overcome their prideful hearts.

Part two of three in The Liberator Series, a trilogy of full length novels following the adventures and romance of Annabelle Ross and Matthew Daniels as they play a part in the dramatic conclusion of Abraham Lincoln's life.
