Austin Light

Movie Title Typos: Making Movies Better by Subtracting One Letter Austin Light

In *Movie Title Typos*, artist Austin Light removes just one letter from a well-known movie title to inspire a surprising and hilarious visual scenario. There's *Obocop* (a robotic police officer works through his PTSD by playing smooth jazz), *T.* (a boy meets a jewelry-clad alien who pities fools), *Harry Otter*, *The Princess and the Fro*, *Finding Emo*, *Pup Fiction*, and many more. A massive viral hit when he first posted sketches of the work online (1.2 million hits in the first 6 hours), Light has created new full-color illustrations for all, with the majority of the book's content never before seen on the Web. Here is a parallel universe glimpse at could-have-been films possibly better—definitely funnier—than the originals.
