**Evaluation of Knowledge, Attitudes, and Practices Regarding Influenza Vaccination Among Employees in a School District** Dr. Marie A. de Perio, Dr. Douglas M. Wiegand, Scott E. Brueck, Department of Health and Human Services Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health

The Health Hazard Evaluation Program received a request from a management representative at a school district. The request asked for assistance in examining influenza vaccination (flu vaccine) coverage among school district employees. the request also asked for assistance in assessing attitudes and beliefs toward the vaccine. Findings and recommendations are revealed.
