FireForce: A Star Wars Parody Michael A. Aquino Ph.D.

FireForce employs the technique of parody not humorously, but as an investigative and illustrative means of identifying, exploring, and extrapolating the emotional, social, and political personalities, issues, and principles which combined to give George Lucas' 1977 *Star Wars* its unique magnetism.

In *FireForce* the characters, scenes, and dialogue are all subtly distinct from the original, yet developed in directions and dimensions beyond the limits of the film medium.

In an Appendix the same investigative parody technique is applied to Lucas' other immortal creation, Indiana Jones.

If you thought you knew parody, you are about to take a new step into an entirely different universe: May the FireForce be with you!
