Not Even Death (Chrysalis) (Volume 3) Michel Prince

In one tragic moment, Ellie Jeffreys' perfect life ended and the devastation of losing the only man she believed she could ever love and their beautiful child causes the hopeless resignation that life shall never again be worth living. Bound by a decree from On High, the demons who tormented Ellie for years have had to leave the Jeffreys alone, but they grow restless, sensing Ellie's despair and vulnerability. They lust for her. And they're extremely resourceful. Dr. Luke Page's inability to save Ellie's husband and son has him hoping to recover her crumbling mind and show her love does still exist in the world. Dr. Page feels immense pressure to be her security blanket in the concrete world, but thoroughly healing her presents a challenge that raises questions about his ability as both a physician and a human being. Ellie's depression now leaves her susceptible to the vengeful demons. In the past, the sheer strength of Oscar's love and devotion fortified a barrier around Ellie, shielding her from the effects of the world's iniquities. Will Luke's love be enough to rise to the challenge of protecting her? Or will Oscar's become like a phoenix letting not even mortality stand its way?
