Learn How to Rank Your Website or Blog the Simple Way

SEO is a hot topic right now, but it is certainly nothing new. People have been trying to devise methods for “tricking” the search engines, ever since they were first made. It used to be a lot easier, with many websites rocketing to the top of search engine results pages (SERPs), leaving more honest webmasters behind. This meant that there was plenty of garbage content floating around, and it was difficult for users to find what they really needed.
