"The plot takes in the best and worst of .. the financial meltdown .. is not above having a great poke of fun at modern celebrity culture and reality TV, leading to some genuinely laugh out loud moments." Amazon Top 500 Reviewer, Ravenscrimereads.

Reporter Noel Byrne is about to die. Two snipers hold him in their crosshairs as he delivers his live report from the HQ of HiberBank in central Dublin. His first problem is they will kill him if he doesn't say exactly what they want him to say. His second problem? They both want him to say different things. *Keep Away from Those Ferraris* is the hilarious story of a country in collapse. A vicious gang of bankers and minor celebrities is desperately trying to salvage one last pay day from the wreckage of the Irish economy. Only Byrne can help them. Only Byrne can stop them. Follow him across the boardrooms, bedrooms and bars of Dublin as he tries to stay one step ahead. And remember that when billions are at stake you can't trust anyone. Not your family, your friends or the love of your life.
