Excerpt from Michigan C. P. A. Manual: State Board of Accountancy, 1920

This manual has been prepared by the Michigan State Board of Accountancy with the idea that it will show the business public and the profession in general the scope and character of the tests which have been met by persons holding the C. P. A. degree from Michigan. It will enable prospective candidates to judge for themselves whether they are prepared to pass examinations along somewhat similar lines. It will permit Accountancy Boards in other states to determine, in cases of prospective reciprocal arrangements, whether Michigan measures up to their standards.
