Waiting to Land: A (Mostly) Political Memoir, 1985-2008

Martin Duberman

Waiting to Land: A (Mostly) Political Memoir, 1985-2008 Martin Duberman

Martin Duberman describes himself as having "the double vision of the outsider who is let inside . . . a spy in the culture." Fortunately for the rest of us, he's decided to tell what he learned through his spying. This wonderful mixture of diary and retrospective commentary puts some of the important intellectual, cultural, and political movements of the 1980s and 1990s in sharp relief. *Waiting to Land* is an absorbing and pleasurable read.

--John D'Emilio, author of *Lost Prophet: The Life and Times of Bayard Rustin*

Martin Duberman was an astute participant in the LGBT movement that transformed American life in the past half-century. This book, drawn from his diaries and letters from 1985 to 2008, gives us a vivid, present-time portrait of the later years of that movement, bringing to life its aspirations and its daring, and also showing us how the movement changed as it interacted with the politics of our larger society.

--Frances Fox Piven, Distinguished Professor, The Graduate Center, CUNY

Although best known for his acclaimed biographies, historian Martin Duberman is also a renowned memoirist who has plumbed his own life for truths that have meaning for us all. In the bestselling *Cures*, he carried his story up to 1970, focusing on his fear that homosexuality was pathological and on his desperate search for a therapeutic cure. Duberman's second autobiographical book, *Midlife Queer*, centered on the 1970s, by which time he'd thrown off his earlier doubts and become fully engaged in the worlds of gay politics and culture.

Waiting to Land takes Duberman's story up to the present day. As his public engagement deepens, Duberman finds himself increasingly at odds with the mounting assimilationism of the mainstream gay movement--and with the left itself, which Duberman has come to believe is smugly oblivious to the realities of gay life. Disaffection leads him to till crucial new ground, including the founding of the groundbreaking Center for Lesbian and Gay Studies (CLAGS) and serving as an original board member of Queers for Economic Justice.

Interweaving diary entries with letters and with reflections written in 2008, *Waiting to Land* incisively probes issues of crucial import for everyone. By turns moving, funny, provocative, and profound, this book is an unflinchingly honest and deeply important window into an extraordinary life.
