Passed Over and Pissed Off: The Overlooked Leadership Talents of Generation X Mia Mulrennan PsyD

In *Passed Over and Pissed Off*, Dr. Mia Mulrennan reveals that Generation X is fed up and frustrated. Corporate America has turned a deaf ear for too long. Baby Boomers have retained their positions of power longer than anyone anticipated, and are now focusing their attention on grooming the Millennials in order to “leave a legacy” before they retire. Sandwiched between two behemoth generations, the members of Generation X are the outnumbered, seldom-mentioned, underdog generation. Many Gen Xers are tired of patiently waiting for their turn to lead, languishing in non-leadership roles, nose to the grindstone, doing everything right, but feeling overlooked and unappreciated. They have been patiently waiting, but they aren't going to wait forever. Can we stand a Gen-Xodus?
