Teaching Test-Taking Skills: Proven Techniques to Boost Your Student's Scores Guinevere Durham

The No Child Left Behind Act has standardized the proficiency requirements of students, thus challenging schools to teach, test, and be accountable for student mastery of the curriculum. Students no longer have the luxury of time to learn the mechanics of taking tests. As early as third grade, they not only must have acquired the knowledge of the material, they also have to perform on the tests that measure that knowledge. Dr. Guinevere Durham has spent 25 years researching, writing, and implementing a program that teaches test-taking skills to students. Teaching Test-Taking Skills is filled with strategies, techniques, and activities that have been proven successful in the classroom. It is practical, user-friendly, cost effective, and compatible with any curriculum. The test scores of students taught these skills are a true assessment of their potential.
