Mechanics of Materials: An Integrated Learning System 3e + WileyPLUS Registration Card (Wiley Plus Products) Timothy A. Philpot

This package includes a copy of ISBN 9781118083475 and a registration code for the WileyPLUS course associated with the text. Before you purchase, check with your instructor or review your course syllabus to ensure that your instructor requires WileyPLUS.

For customer technical support, please visit <http://www.wileyplus.com/support>. WileyPLUS registration cards are only included with new products. Used and rental products may not include WileyPLUS registration cards.

Philpot's *Mechanics of Materials: An Integrated Learning System*, 3rd Edition, helps engineering students visualize key mechanics of materials concepts better than any text available, following a sound problem solving methodology while thoroughly covering all the basics. The third edition retains seamless integration with the authors' award winning MecMovies software. More than 40% of the problems are new and/or revised. New coverage is included on sheer stress in beams as well as energy methods. Content has also been revised throughout the text to provide students with the latest information in the field.
