Ivy Mason is no stranger to trouble—though so far she’s always managed to outrun or outsmart it. Now a nasty man-made virus and an FBI manhunt have her desperate for a cure and on the run for her freedom. Even her romance with British secret agent Devon Clay may have deadly consequences, placing her squarely in the crosshairs of a shadowy international assassin, Vega.

Devon is determined to take Vega out, but first he must make sure beautiful Ivy is out of danger. When she escapes FBI custody, the couple rekindles their passion and sets off on a pulse-pounding adventure across the United States and around the globe. En route, Ivy and Devon discover new truths about their nemeses—revelations that will test the limits of their love.

In this thrilling conclusion to the Tangled Ivy trilogy, Ivy Mason learns that the path to justice—and love—is more complicated and fraught with danger than she ever could have imagined.
