Small Ships

Jay Benford

Small Ships Jay Benford

Containing scores of study plans for tugs, freighters, ferries, excursion boats, trawler yachts, houseboats, and fishing vessels, this latest volume of ideas is thoroughly revised, updated, and expanded, with a tremendous variety of styles and types of small ships. Each design is a salty and practical cruising vessel and is introduced with a brief description of its creation and history and accompanied by layout drawings and/or photos. Many of the designs trace their origins to working vessels and heritage powerboats, and all have a refreshing frankness about them, absent of any tricky styling, glitter, or glitz.
