Death by Cliché Bob Defendi

To Sartre, Hell was other people. To the game designer, Hell is the game.

Damico writes games for a living. When called in to rescue a local roleplaying game demo, Damico is shot in the head by a loony fan. He awakens in a game. A game full of hackneyed tropes and clichéd plots. A game he was there to save, run by the man who murdered him just moments ago. A game that has just become world-swap fantasy. Damico, to his horror, has become the heart of the cliché.

Set on their quest in a scene that would make Ed Wood blush, Damico discovers a new wrinkle. As a game designer, he is a creative force in this broken place. His presence touches the two-dimensional inhabitants. First a peasant, then a barmaid, then his character's own father - all come alive.

But the central question remains. Can Damico escape, or is he trapped in this nightmare? Forever.

Wait, what? This is a comedy? Ignore all that. *Death by Cliché* is a heartwarming tale of catastrophic brain damage. Share it with someone you love. Or like. Or anyone at all. Buy the book.

Based on a true story.
