Mountains to Climb by T.A. Chase

Sometimes the past can be the biggest mountain to climb.

Toby Schwartzel has never forgotten Jensen Brockhoff, the man he loved and the one who disappeared six years ago. He thinks he's moved on, but when Jensen appears again and wants to explain what happened, Toby realises he hasn't gotten over Jensen. He'd only built up walls to keep from being hurt again.

Jensen Brockhoff left New York City and Toby Schwartzel for several reasons. All of them had to do with drugs and alcohol. He's clean now and the only thing he's addicted to is mountain climbing. His passion for the sport has got him through the last six years. But after a particularly harrowing fall on Denali, Jensen knows he has to go back to tell Toby the truth.

Will Toby and Jensen discover they'd never moved past the love they had for each other all those years ago? Or are the mountains between them too high to climb?
