Newman's Birds of Southern Africa: 10th Edition

Kenneth Newman

Newman's Birds of Southern Africa: 10th Edition Kenneth Newman

This commemorative tenth edition celebrates the contribution of the late author, Kenneth Newman, fully revised and updated by his daughter, Vanessa Newman, to reflect the latest research, taxonomy and common names. Newman's Birds of Southern Africa, a leading field guide in the region, illustrates and fully describes all the birds recorded from the Antarctic to the Zambezi River. The familiar, user-friendly format of Newman's Birds has been subtly modernized for a fresh look, and plate annotations have been added to the large, accurate paintings of each species, in line with modern trends.
