## **Not That Bruce Willis! #2: Overcoming the Past (Volume 2)** Pamela Hoffman

Bruce has found his way back to God, but nightmares of the past continue to deprive him of rest and peace. As he is tempted and tried, he overcomes each pull from Satan to return to his old ways; only to be faced with a greater temptation tomorrow. Will he ever be free of his past choices and the chains of guilt that bind him? Will he ever find the peace he is searching for? Bruce and his dad seek refuge in their Colorado cabin to escape the horrors the past few months have brought. Overcoming betrayal by his dad's only sibling, they both wonder if they will be able to sever the ties required to keep their very lives safe. The old family cabin calls their name as the sanctuary they so desperately need for a little time to regroup, but arriving in the midst of a hundred year storm proves to be only the first of many adversities. A new environment with new acquaintances creates an opportunity for Bruce to trust again, but not everyone is as they seem. With their lives in constant danger from the world and the ultimate Enemy, survival becomes key for the Willis men. Will this new place offer the healing Bruce has been seeking as they resolve to keep their faith in God and His plan? Will they be able to overcome?
