The Billionaire's Island Romance (The Romero Brothers, Book 3.5) A romance, hotter than the island sun... Coming from one of the world's wealthiest and most influential families, the Romeros, Christian Romero knows better than to turn down an invitation to a mega family reunion in Jamaica for his cousin's wedding. The family is gathering at the exclusive Duponte Hotel & Resort in Montego Bay for the highly anticipated nuptials of former playboy billionaire Zack Romero and ex-reporter Blue Monroe. Christian's ex-girlfriend, Arianna Duponte, who walked out on him over a month ago just when things were getting hot, happens to be the general manager of the five-star palace resort where the family is gathering. No woman has ever turned him down before. Yet, sweet Arianna wasn't just any woman. She'd given him her virginity and he'd given her his heart. So what went wrong? Will this be a bitter reunion or a better opportunity to find out if there are truly second chances? Arianna Duponte has always had a special place in her heart for sexy, hot Christian Romero, her first true love, but getting close to him would be too risky given her past and a scandalous family secret. She refuses to break his heart again. She tries to keep her distance while preparing for the big Romero wedding but it's not as easy as it looks. As the wedding bells echo in the sultry island air, will they rekindle the union they once had?
