The Lotus Eaters Des Nouvel

Two middle aged "adventurers", at least old enough to know better, leave friends and security behind to embark on a journey toward a new and exciting life in Greece - a veritable graveyard for ill-informed and naive "wannabe" entrepreneurs such as they.

Their story highlights the almost daily necessity to adapt to changing circumstances and predatory rivals in order just to survive in a totally alien and sometimes hostile environment.

Most "change of life" accounts revolve around relatively settled and successful individuals looking to add a foreign home or holiday villa to their already healthy life's portfolio, whereas the Nouveles landed in Greece with little over £1000, a big dog and huge hopes and expectations - nothing else.

Hilarious, sad and sometimes dangerous experiences eventually mould them into a strong and stable unit that finally wins through and allows them to enjoy the peace and tranquillity that comes with being a "Lotus Eater" - but it was a close call!
