Not to mention, he seems absolutely fascinated by her mundane life. He's everything that a girl could want, but there's something else that ripples under the surface of his flirty behavior. Something darker. Something that fascinates Marisol, but scares her at the same time. Is she willing to risk falling into an abyss she might not get out of?

Episode Two:

When Fin ran out on Marisol, leaving her naked on her couch, she swore she was done with him. There was no way she would forgive him, let alone see him again. But fate, or something else, had different ideas, and she ran into him again the very next day.

Instead of hating his guts and wanting him to die, Marisol finds that's she's still attracted to Fin. She just can't get him out of her system. Maybe if they had one night together? Just one night and she could get over him. But will that be enough?

Episode Three: Marisol's days with Fin are dwindling and they still haven't discussed where they stand, and that's not the only thing Marisol doesn't know about him. They've continued to trade secrets for sex, but when Fin reveals one particularly traumatic secret, will Marisol be able to handle it? Or is it better call it quits before she falls even deeper?

Episode Four: For the first time since their relationship started, Fin and Marisol are on different pages in the bedroom, but Marisol is determined to make their last few days together count. Each moment is precious, but each shreds her fragile heart a little more. Can they get back on track and figure out a way to stay together even with thousands of miles between them?

Episode Five: With thousands of miles separating them, will Fin and Marisol be able to keep their relationship alive? Or will the distance finally come between them?

Episode Six: For the first time in their short and rocky relationship, Marisol is having doubts about how to move forward with her relationship with Fin. Will the secrets and the distance finally come between them and end things forever?
