INSIGHTS REVEALED. TANTALIZING TALES. TRICKS OF THE TRADE.

James Collier is a London based Dominant, and in this rare, unapologetic expose, he shares some of his more romantic, debauched, and whimsical escapades. With help from Maggie Carpenter, he has dramatized his stories and put them together for this unique novel.

James opens up his life and shares his feelings, his perspective, and even a sampling from his *Directives And Things To Remember*, his list of rules given the women who choose to surrender to his skilled, sensuous hands.

A man who loves Keats as much as The Rolling Stones, James is a disciplinarian and is quick to punish, as his tale of a public spanking makes abundantly clear, but he is also a romantic, and in this unique book he shares tales that will touch your heart.

Journey with James as he spans naughty girls, makes love with artful prowess, and gives us a glimpse into the life of an old-fashioned, but modern day romantic dominant. Take a peek into his life. Pick up this surprisingly romantic, first-hand account today.
