Orange Circle's Easel Desk Calendar not only adds a fabulous pop of color to your workspace it also allows you to curate your own mini art gallery each month! Thanks to its cleverly designed holder, the 12-month calendar is designed to showcase a different image each month through a cut-out viewing window that creates a whimsical shadowbox effect. The desk calendar measures 4.675 x 6 x .25 (not including the easel back) but, should your desk already be overflowing, there's even a hanger on the back of the stand so it can be displayed on the wall. The calendar pages are printed on high-quality paper using soy based inks; both the easel and calendar pages are recyclable.
