This Spoken English Learned Quickly course was written for university and professional students. It introduces the new Feedback Training Method which—for each hour of study—results in almost twice the fluency of ESL instruction. When you studied English using ESL lessons, you spent many hours writing assignments and memorizing English grammar. But you became discouraged because you still could not speak English fluently.

Spoken English Learned Quickly can turn your discouragement into optimism. Our students spend all of their study time speaking English. They can follow the text on their (Kindle while they learn to speak using an MP3 player with their choice of an American or British accent. All 144 MP3 downloads are free.
