John Donne: How to Believe (Guardian Shorts) Roz Kaveney

John Donne is well-known as one of literature's great love poets. But his writing is also infused with a deep-yet-playful philosophy. Satirist and cleric both, in Roz Kaveney's engrossing ebook, John Donne is the man who thought too much - about love and death and his rejection of the choices of his family to rise up the church's ranks.

The How to Believe series of ebooks explores the teachings, philosophies and beliefs of major thinkers and religious texts. In a short, easy-to-access format, leading writers present new understandings of these perennially important ideas.
